Ref: For more help to settle life in Bellary.

Most Respected Hon. Sir, I most humbly beg to bring this before Honourable self's kind perusal. That is As a refugee when I came to Madras with the other refugees, Govt of Madras has provided a loan of 250/- Rs. to me and have asked to come and settle in Bellary. I have come over with other refugees as per order and have reported my arrival A Stall Specially built for us has been provided to me by the Municipal authorities I have started a pan, beedi Stall business with the above said amount. owing to market fluctuation I have met a heavy loss in that business and the earning through that business is not at all sufficient for me to live my life That has brought a loan over me for more than 200/- Rs Now The Municipal authorities are asking me to pay Rent for the stall from the date of occupation. They were sending me notice after notice for this. I am not at all able to live through the earnings of this business. Then How Could it be possible for me to pay the entire rent all in one stretch

Hence I have to open a better business which would give me a good

business through the earnings of which I could clear the Rent due as well as my other debts and live peacefully That is why I am thinking of opening a Restaurant That business does give earnings in which I also have a experience. It needs furniture and vessels and arrangement in the front of the booth stall. I have to erect a thatched Shed for the Restaurant For all these expenses, to clear the municipal Rent due as well, I am in need of Rs 1000/- more. I hope your Honourable self will Consider my Case favourably and Sanction this loan of 1000/- Rs more to me I promise to your Honourable Self that I will return this amount, a little by little at early date after having started my Restaurant, every month to the Govt Treasury in Bellary.

So, I most humbly beg to request your Honourable Self to Sanction me a Loan of one Thousand Rs. more to help me in my life's Settlement

Thanking your Honourable goodself for this act of kindness, with all my best Regards,

I, most humbly beg to remain

Hon. Sir,

Very Sincerely yours

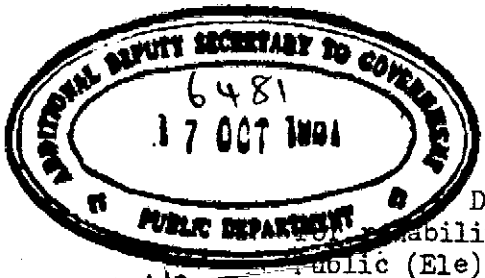
Sir,



Sub:- Displaced persons from Pakistan - Bellary town
Devadin Sukuram - additional loan of Rs. 1,000/- report submitted
Ref:- Government Endt. No.5702/51-1 dated 19.9.51

Devadin son of Sukuram a refugee was allotted to Bellary town for rehabilitation with a business loan of Rs. 250/- in G.OlMs. No.3403 Public (Ele) dated 7.10.49. He was granted ration allowance of Rs. 34/- beside a loan of Rs. 243/- Now he has to pay an amount Rs. 14.7.7 towards arrears of interest.

The refugee started a petty shop at Adoni bus stand with the loan amount granted to him. Unfortunately he incurred heavy loss in his business and consequently he finds it difficult to make both ends meet. I have requested the Municipal Commissioner, Bellary separately to postpone the collection of stall rent due from the refugee till he was able to pay the rent

Though there is no provision for the grant of further loan to the displaced persons yet the petitioner may be granted an additional loan of Rs.350/- as a special case to enable him to run a sweet meat shop. His request to open and run a restaurant is not recommended as he is alone and will not be able to run a restaurant. Besides the stock position of rice in this district is low.
